

# AIRVENTURERS!

**DON'T MISS OUR UPCOMING POKER RUN!**

**Saturday, March 10th**

**Show your piloting and card playing skills all in one outing!  
(But not at the same time!)**

Here's how it works:

- Prepay \$25 per hand for anyone who would like to play (must be a physical person to play)  
You can pay on the website.
- On Saturday morning, pick up your first of five sealed-in-an-envelope cards at your home airport starting no earlier than 1600 Z (8 am local time) (Specific pickup points will be given later)
- Fly to three more airports (SMO, VNY, CMA, and WHP) in any order to collect three more cards
- Fly to WJF (plan to arrive no later than noon in the waiting area) for your fifth card
- Open your sealed cards and hope to win big dough (might be enough to pay for some gas on the way home)
- Eat fine cuisine at Foxy's Landing while sharing stories of flying exploits (Lunch is Dutch treat)
- Fly home at 2:00 pm basking in the great time you had flying your plane for rust prevention.
